-5pm for Year 4

upwards. A letter has

been sent home today to all

KS2 pupils with more details.

Lunchtime Choir Club

If your child is in Year 2 upwards and interested in attending a lunchtime choir club run through the music service, please let Mrs Bennion know as we need a minimum number of children for the club to be able to run.

New Term Routines

The children are settling well into the new term and have been sharing their holiday memories with us all!

For arrival in the mornings, we are keen to develop independence by children putting away their own things from Year 1 onwards.

The registers are taken in each class at 9.00am. Please note if your child arrives after this time they will be marked as late up until 9.15am. If a child arrives after 9.15am, they will be marked as unauthorised as the registers will have closed. Please ensure if your child is unwell that you phone the school to let us know. We will follow up any absence with a phone call if no message has been received by 9.15am. In the case of sickness and diarrhoea, the health guidance states a 48 hour period of absence is required.

At the end of the day once the children have been handed over to parents at home time, a whistle will be blown as a sign to inform you that the main wooden side gate will be closed. This will enable the after school club to use the outdoor space safely.

The gate will re-open again at 5:30pm when the grounds become available for community use as an open site.

New Nursery Contact

Following the re-location of our Nursery, any general queries may now be answered through the main school office number. Please note that the previous landline is no longer be in use, but the Nursery mobile number will continue to be used as before 07709573399.
