Key Stage 2 Swimming

Please return any outstanding swimming information and bus contributions by tomorrow to help us arrange the swimming groups for key stage 2 children.

Community Links -Messy Church

The next Messy Church will be held in on Wednesday 19th February in Uffington. The theme this month is Self-Confidence.

Parking Signs

Thank you to those parents who always park considerately when dropping on/collecting their children from school. The children themselves shared the improvements noticed last week since the West Mercia Police parking signs have been displayed. Children felt it has been quieter and safer in the mornings and afternoons with clearer access to the parking bay for the school buses. Pedestrians also noticed clearly pavements across from the road from the school bay. The Shropshire Star visited us on Friday and a small article is expected in the local newsletter anytime from today this week!

SAM -Sepsis Assessment and Management

Some NHS information leaflets have been placed in the school entrance area which include the signs of sepsis. This has kindly been provided by a parent which some of you may find useful.

Primary Schools Half Marathon

We have received information about a cumulative Half-Marathon (13.1 miles) for children aged 4-11 year olds. Children will be running a total of 12 miles in school over a series of sessions this term. They will then run the last 1.1 miles at the Shropshire County Showground on Saturday 6th April 2019. **If your child would be interested in taking part, please let the school office know by Friday this week at the latest.** Full commitment will be required as there are a limited number of places for Shropshire schools and a financial cost of £12 per child which school will help to subsidise.

U11 Boys Football

Mr Ward has contacted parents regarding the boys U11 football tournament which is being held this Wednesday after school. Good luck everyone!
