Children return to school on TUESDAY 6th JANUARY

On behalf of everyone at St Lucia's School, we wish you all a very Merry Christmas, with every good wish for the New Year ahead. Thank you for all your support during the term!

Fruit Tasting Science and Design Technology

The children in Class 4 have designed and made their own fruit smoothies with very successful results!

We would like to say a big 'Thank You' to Tesco's supermarket for donating £20 of fruit and to Lidl for supplying the oranges and orange juice at no cost!

Thank You!

We would like to thank two of our regular teacher volunteers who have helped us during this term. Thank you very much to Beth Roberts in Class 1 and Mrs Bing in Class 3 for all your help!

Christmas Productions-What a fine cast!

We hope you really enjoyed the Nativity and the Key Stage 2 Christmas productions of Scrooge last week. I am sure you will agree how brilliant the children performed and the impressive way in which they worked supportively together. We also noticed a few budding actors and singers amongst the casts! Well done everyone!

Extra Security

Please be advised that from the start of next term, the main wooden side gate will remain locked until 8:50am when members of staff supervise the playgrounds on the children's arrival.

Local Community Links

Well done to all the bell ringers who visited Roden Nursing Home last Thursday to sing Christmas Carols to the residents. Thank you once again to Lin Carding for supporting the children with this local community visit.

After School Club

We are pleased to be able to offer to parents after school provision from the New Year. The club will run from Monday to Friday and will operate on a two tier system. We hope this will provide flexibility to working parents. **Option 1** will run from 3:15-3:45pm at a cost of £2 per child per day.

Option 2 will run from 3:15-5:30pm at a cost of £5 per child per day and will include a drink and snack.

For further details and a booking form, please collect a pack from the school entrance area, either in person or via the pupil post.

To help us establish this new provision initially, please note that no other after school activities will be running during the next term.
