Recent Illness

It is good to see the majority of children back in school today looking and feeling much better following the spell of recent illness. Please encourage your child to wash their hands thoroughly to prevent any further spread of germs so everyone can enjoy a good Christmas! Water bottles and warm coats are also important at this time.

As most children are back in school, we have Done our best to accommodate the Christmas events which were scheduled. The main changes are those to the Key Stage 2 performance of Cinderella Rockafella and the Christmas Fayre. Text messages were sent out this morning notifying parents of these changes in order to try and provide as much notice as possible. Please support us where you can. If you are unwell yourself though, please stay at home.

Christmas Lunch for Parents 18th December
Please come at the allocated time you have been provided with for Christmas lunch on Wednesday. No further places can now be allocated as food orders have all been made.

Happy Christmas

On behalf of everyone at St Lucia's C.E. Primary School we would like to wish all our parents and members of our local community, including St Lucia's Church and Diocese and very Happy Christmas.

Thank you to everyone who has supported and provided help to the school during the past term and over 2019.
