Community Links-Messy Church

The next Messy church sessions will be held on Sunday 3rd February and Wednesday 19th February in Uffington Village hall. The theme is Self-Confidence.

The Upton Magna local community have been successful in receiving a grant for the much needed repairs to the church roof. We have been advised that St Lucia's church will therefore be closed from March. It is expected the church will re-open around October time.

Payment Policy

Governors have introduced a Payment Policy which has been included on the reverse page of today's Star. A copy is also on the website.
