## Congratulations St Lucia's School Football Team!

Our football team played other local schools on Wednesday in the Under 11s small schools cup tournament and made it through to the finals! Well done everyone!

Please see the attached report from Coach Ward. Thank you for the continued support provided in preparing the team for this event.

### Pied Piper Production

A huge 'Thank You' to Mr Battrick for creating a fantastic recording of the KS2 Pied Piper production! We hope you enjoyed watching this via the link we sent to parents last week.

### Tennis Coaching

Last term, we arranged after school tennis coaching in partnership with the Shrewsbury Club. This proved to be popular and a regular group of children attended. The sessions can continue this term, but a minimum number of 10 children is needed to make the costs viable. We now require 6 more children to join from Year 2 onwards. Please let Mrs Bennion know of any new interest by tomorrow morning. Each session costs £2.50 (£12.50 until half term). This is at a reduced rate which would normally cost £7.50 for outdoor coaching. The sessions run each Tuesday from 4.00-5.00pm at The Shrewsbury Club using their indoor facilities.

### Walking Bus

The walking bus on Wednesday and Friday mornings will run as usual this week and next week, but will then stop until after the half term holiday. Thank you to Dr Dawson and Mrs Hockenhull for their regular help. It is great to see the walking bus well supported too!

### Parking

We have received complaints from the transport company to say the school mini bus and taxis have struggled to get in and out of the bus laybys due to cars parking there. Please be aware, the yellow marked bays are not for parent parking and are restricted zones. If parking isn't available on the road, then please look for spaces at the pub car park or at the village hall. A number of vehicles have been parked half on and off the pavements which restricts pedestrian access. Please park safely and considerately.

### Manchester City Trials

Ball Sports Community Coaching have linked up with Manchester City FC to deliver and provide a superb opportunity for children aged 5-16 years on 15th and 22nd January. If you would like any further information, please view their website [www.ballsportscoaching.co.uk](http://www.ballsportscoaching.co.uk)
