14<sup>th</sup> July 2021

Dear Parents, and St. Lucia's whole school community,

Over the summer holidays there will be a fun opportunity to join in with some tasks and jobs at to give our wonderful school a post-Covid refresh before the new school year arrives.

This will include painting walls in classroom areas, cleaning carpets in all classrooms, painting fences around the school, jet-wash outside play areas etc.

The week beginning **16<sup>th</sup> August 2021** will be the focus week when we hope to get started.

**Monday and Tuesday** will be days when we will be working inside the school, focusing on smartening up the classrooms.

**Wednesday, Thursday and Friday** we will be working outside, revamping the garden areas, painting walls and fences. These days will also be the time when the front garden area will be re-landscaped. Please fill in the slip below if you are specifically able to help with this task.

If you can help on any of these days for any amount of time, we would be very appreciative. Equally if you could help out by lending a carpet cleaner and shampoo, jet wash or donating paint it would make a real difference to our school. As the school will also be an open site, this will also provide the opportunity for children to play on the school field while parents are helping out.

Please complete the form below if you are able to help us with our endeavours.

Yours Sincerely

The Governors of St Lucia's
