Head Teacher – Mrs S. L. Woolley
MA BA (Hons) QTS NPQH

3rd March 2021

Dear Parents/Carers,

Year 5 and Year 6 Return

We wanted to share with you some additional plans school will be putting in place to support the Year 5 and 6 pupils on their return week.

As with all children, there will be a large focus on mental health and well-being in addition to academic catch up at this crucial stage in your child's education. Due to a larger number of children within Class 4, we will be arranging additional support until the Easter holidays.

This will be arranged through separate teaching and learning of the two year groups across each morning. Year 5 pupils will receive structured English and Maths from an additional teacher, Miss Randall who has worked with the children in school before. The Year 6 pupils will receive English and Maths teaching, learning and catch up from Mrs Carroll. Both year groups will be provided with appropriate support from Mrs Broome for Maths. There will be opportunity for the two year groups to share their playtimes and lunchtimes together. The other curriculum core and foundation subjects will be accessed within separate year groups during the afternoons.

We look forward to welcoming your child back to school on Monday and we're sure these arrangements will provide additional reassurance for our upper key stage 2 children's return.

Yours sincerely

Mrs S. L. Woolley

Headteacher
