British Values Day

The British Values Day last Monday created lots of excellent discussion about what makes the 'Perfect Playground Pal'. Children shared their ideas with each other and debates were held to consider views about whether to have separate playgrounds for KS1 and KS2 children during the morning break times. Children voted and a ballot was held to decide. The results were very close, but the majority of children decided that separate playgrounds should be used for morning play.

Parents' Appointments

We look forward to meeting with parents tomorrow for Nursery, Year 2, Year 4 and Year 6 appointments.

The open afternoon provides another opportunity to look through your child's learning and discuss the books together in the same way we arranged last term. All parents are welcome to attend at any time between 1:30-4:00pm.

As the appointment times have been arranged for parents' at your preferred time, no children should be in school after 3:15pm while appointments take place (except Year 6). If a place is required in the after school club this can be available by making an advanced booking and payment to the school office. The cost of a half hour session will be available tomorrow for £2.

Smarties Tubes

Thank you to those parents who returned the Smarties tubes with loose change for the St Lucia's Friends garden project collection. If you have outstanding tubes, tomorrow would be the final day for return.

Football Kits

The football team have another match this Wednesday after school. We therefore need all football kits to be washed and returned to school by tomorrow please. Contact Mr Ward directly via email to confirm play.

National Odd Sock Day

Next Monday we are inviting all children to wear odd socks as part of a national day to help raise awareness of down's syndrome. No donations needed. Girls currently wearing tights could wear their odd socks over their tights.

Different Faiths

If you know anyone who follows a different faith to Christianity and would be happy to come and talk to the children about their religion to raise awareness of other world faiths in Britain, please get in touch with us.
