Today we have supported World Down Syndrome Day by wearing odd socks to school. There have been a vast range of colourful, patterned odd socks today worn by both children and adults. The aim of today is to raise awareness and increase understanding of the condition, and promote equal opportunities for people with Downs within local communities.

All the returned garden designs will shortly be considered for the Eco Committee competition. The winner will be announced after the Easter holidays. Good luck everyone!

Morris Dancing for the Upton Magna Village Fete
