school improvement this year.

HAPPY NEW YEAR!

Happy New Year everyone! We hope you all had a very enjoyable Christmas. Thank you for all the presents and cards we received at school.

Best of Luck to our Football Team

We wish St Lucia's football team good luck as they play in the Under 11s Small Schools Cup this Wednesday!

New Spring Term Topic

During the Spring term, our new topics are:

Attingham Park for Key Stage One and Changes for Key Stage two.

The class curriculum topic overviews will be sent home shortly and uploaded to the website as usual.

100% Attendance

At the end of term during our usual weekly celebration assembly, we awarded lots of stickers to children who had 100% attendance during the autumn term.

Well done to those children from each class on this achievement!

100 Club Draw

Congratulations to our 100 club Christmas winners- J Ferris and D Collins!

Christmas Fayre

A big 'Thank You' to all the St Lucia's Friends and the parents who helped to organise the Christmas Fayre. Over £320 was raised! These funds will support activities for all the children in school.

It was wonderful to see so many parents and members of our local community at The Carol Service, Christmas Fayre and the other festive events!
