Friday 12th February with a return to school on Tuesday 23rd February.

Please remember that Monday 22nd February is a PD Day.

Our Easter Service will be held in St Lucia's Church on Wednesday 23rd March

## Governor Update

It has been a very busy week for our link governors!

Mr Brian Jones visited school today to receive updates linked to Safe-guarding and British Values.

Mrs Battrick visited the Nursery last Thursday to look at the learning environments both indoors and out.

Mrs Lynch also visited today to receive updates for Special Educational Needs.

Governors also received in house training last week to look at data analysis linked to national comparisons.

The finance and personnel committee of governors will meet this week to monitor the spending of the school budget and plan for the forthcoming financial year.

## Cosmic Classroom

The children have been keeping up to date with the most recent links to space through Tim Peake's Cosmic Classroom which included a live question and answer sessions with children from the UK.

## Pet Photos

Children in Class 1 and 2 are welcome to bring in a photo of their pet as part of our science learning this week.

## School Lunch Payments

After the half term holiday, Mrs Alexander, our school cook will be available from 8:50-9:10am in the school hall each Monday morning. This will provide the opportunity for parents to make any advanced weekly dinner money payments and to check any lunch payment queries which may arise.

Shire Services encourage parents to pay for school lunches in advance for either the week, half term, or on the day to avoid any outstanding arrears linked to their payment policy.

## Summary of Results

Please find attached to this newsletter a summary of St Lucia's school standards for 2015. We are delighted with these results which place our school in the top 20% of all schools nationally for reading, writing and maths at the end of key stage 2! For more national comparisons, please visit the 'standards' links displayed on our school website.

## Football

Best of luck to our Football team and our players who have two planned matches this week!
