<p><b>Please comment briefly on the particular aspects of Nursery provision that you have been pleased with.</b></p> <p>'Staff are helpful, friendly and my child loves them!' 'A very caring and friendly staff.'</p> <p>'How friendly everyone is and my child is happy here and enjoys coming.'</p> <p>'The ease with which the staff got my child to settle into the nursery was very reassuring. My son always seems happy and the variation in play outside and inside provides him with good stimulation. I like the integration with the school, ie. Older children reading to younger etc.'</p> <p>'All staff are helpful, friendly and I feel I can approach them with any concerns/queries I had. Overall I love that my child loves attending, has made friends and talks fondly of all the staff. I feel that my child is happy, safe, learning and having fun at nursery, and as a parent I can't want anymore.'</p> <p>'The nursery staff have been helpful to advise me and work with my child. My child enjoys the days out with nursery.'</p> <p>'There aren't large numbers of children so 1 to 1 is brilliant. Can't fault the staff, easy to talk to and the kids enjoy being there.'</p> <p>'I have been very pleased with all aspects of the nursery so far. Thank you.'</p> <p>'I like that Nursery interacts with the school and particularly the Church.'</p> <p>'My child loves going to St Lucia's Nursery-no better recommendation.' Many thanks</p> <p>'I'm especially impressed with the level of communication between the nursery and Child minder and this is clearly communicated for me to be kept informed of progress. I don't know the detail of activities, but aware of themes and I try to contribute to this.'</p>
<p><b>Please comment briefly on any particular aspects of the Nursery you would like to see improved.</b></p> <p>'Perhaps more regular open days for parents to see children's folders.'</p> <p>'Possibly more focus on writing, ie. Names. The space they have is limited but it doesn't seem to be restrictive.'</p> <p>'My child attends another setting and when I collect them I am given a slip which tells me what they have done that day. I am often asked for photos etc. relating to the topic they are learning about that term.'</p> <p>'More tables-structured activities.' 'The transition activities have improved and increased with school.'</p> <p>'Shaded area outside during the summer.'</p>
