# A rewards based cumulative half marathon

Shropshire Primary Schools Half Marathon gives children aged 4-11 the chance to complete their very own cumulative Half Marathon in a supportive, non-competitive environment.

With a Half Marathon representing 13.1 miles, the challenge sees children complete the first 12 miles at school over the course of a half term, 1 mile at a time, before running the final 1.1 miles on a final event day in front of family and friends.

The children are treated to a dedicated “full race” experience including race bibs, a marshalled route, music and a start and finish line gantry, allowing them to enjoy and experience the thrill of a big sporting event and to be cheered on as they complete the final leg of their challenge. They receive rewards as they progress through their mileage including a fantastic medal and t-shirt for their efforts.

**Olivia Davies** ... started to doing my first during my half Marathon Challenge

... I will be another and have a 'top 10' attitude.

... I believe I will finish 11.1 miles and walk forward to taking every step.

... I know this is not a race. It is a challenge where I complete my miles in my challenge.

... I will congratulate myself and feel proud every day.

... I will cheer up and congratulate my friends.
