20th June 2022

Dear Parents/Carers

**Class 2 Design Technology - Fruit Salads Designs**

As part of our termly topic on St. Lucia, the children in Class 2 have been researching where different fruits grow. They have also chosen a small selection of fruits to create a design of their own for a Caribbean fruit salad.

On Thursday this week, we will be ready to make our designs. The children will then have the chance to eat their fruit salad!

School will make all the necessary arrangements and there will be no cost to parents.

We are sure the children will very much enjoy this experience.

If there are any concerns regarding food allergies (different from what has previously been provided for us), please let the school know by Thursday morning.

Kind regards

*S.L. Woolley*

Mrs S.L. Woolley  
Headteacher and Teacher of Class 2 on Thursdays and Fridays
