Dear Parents/Carers

Sunrise and Sunset Clubs-September 2022

Firstly, we would like to say thank you for using our extended schools provision this year.

Everyone is very aware of the significant cost of living increases which are expected to continue into autumn and beyond. As a school, we want to help and support working families as much as possible through these challenging times.

The governing body have therefore decided following a review at the end of the financial year that the prices for Sunrise and Sunset clubs will be frozen and therefore remain the same in September. It is usually expected that prices for paid school services increase on a regular basis in line with inflation. However, our clubs are designed to be non-profitable. We have been able to sustain the same costs since 2019 and if we can maintain similar numbers of children attending on a regular basis to cover staffing costs, then this makes things manageable.

With your continued support, we hope these costs can remain the same throughout the next academic year. Please note that if we have less children attending the clubs, we may need to review costs again in the future.

We are pleased to be able to provide parents with the new September booking forms for both the Sunrise and Sunset clubs for completion at your earliest convenience.

Your support makes a real difference and we thank you on behalf of the governing body.

Kind regards

S.L. Woolley
Headteacher
