

FANTASTIC FOOD-BANK RESPONSE!

Our Pupils and their Families have absolutely amazed us with their generous donations to the Shrewsbury Food Bank through the Barnabas Community Projects, supported by our School Council!

A huge THANK YOU and WELL DONE everybody!
There are so many people who will benefit from your kindness!

Next week is TOILETRIES including *toothpaste, shower gel/ body wash / hand soap, deodorant etc*

Our final week and a massive push is focused on soup, biscuits and rice.

WHAT IS FOODBANK PLUS?

Foodbank PLUS is the umbrella for the delivery of a range of individual initiatives; Shrewsbury Food Bank, Barnabas Money Advice, 360, Acts 435 and Foundations, which incorporates a range of services supporting clients on the journey back to work and health.

Historically food banks have been seen as a short term fix but with these initiatives working together it means we can help people to become more resilient for the longer term.

We aim to help people out of crisis and poverty whether that's resources, relational or identity and empower clients to enable them to make confident decisions and responses to future challenges they may face.
