

Recipe for Winter

First , gather cold, circular snowballs with warm, white mittens.

Next, add a damp, drippy cobweb with icy frost.

Softly spread in feathers from a magical robin's breast.

And a beautiful swirl of magical morning frosted grass.

Season with twigs from an owl's nest.

Add a pinch of holly, a sprig of leaves.

treats.

Pour in hot chocolate with crispy, roasted, gooey

Then warm gently over a sparkling fire.

May trees stand bare.

May winds bluster hard.

Your Winter will glitter with beautiful sparkling snow.
