## Ofsted Inspection Report

Dear Parents and Carers,

We are delighted to share our 'Good' outcome and the full inspection report, following our recent two day graded Ofsted inspection. The report will be sent via email initially and then will be available on the school website, once published upon the Ofsted website.

We are extremely proud of the outcome and feel this is an accurate reflection of the current school position and our evaluation of school development. Inspectors took time to gain a real insight into life at St Lucia's CE Primary and Nursery from all perspectives; this was reflected in the detailed feedback shared with the Head and Governors upon completion of the inspection.

We must take this opportunity to thank pupils, who reflected their experiences of school and shared their learning so articulately and with such pride. Our thanks also goes to you, Parents and Carers, for your continued support and the overwhelmingly positive feedback contributions shared with inspectors over the two days, which also helped to provide an insight into our school. We are extremely grateful to our dedicated staff team who work tirelessly to make St Lucia's such a special place to be. Thank you to staff and Governors for their ongoing hard work, enthusiasm and commitment, which has ensured we are providing a 'Good' standard across all areas.

This last three terms have allowed us to secure some fantastic foundations at St Lucia's and also brought opportunity to make changes and developments to further improve our school. There is much to share and celebrate! We are excited to be on an ongoing journey and very much look forward to what the future holds, as we continue to all work together and develop our wonderful school.

Kind regards,

A handwritten signature in black ink, appearing to read 'C. Coleman'.

Miss C. Coleman  
Head Teacher
